## Arithmetic and algebra

Topic	Link to guide	Link to questions	Link to answers
Introduction to quadratic equations	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Completing the square	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
The quadratic formula	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Laws of indices	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Solving exponential equations	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Introduction to logarithms	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Introduction to sigma notation	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Introduction to rearranging equations	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>

## Angles and trigonometry

Topic	Link to guide	Link to questions	Link to answers
Radians	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Introduction to trigonometry (degrees)	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Introduction to trigonometry (radians)	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Trigonometric identities (degrees)	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Trigonometric identities (radians)	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>

## Vectors

Topic	Link to guide	Link to questions	Link to answers
Introduction to vectors	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
Vector addition and scalar multiplication	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
The scalar product	<a href="#">guide</a>	<a href="#">questions</a>	<a href="#">answers</a>
